Description
Art. no.

Alu profile 6/112mm ribbed
20.0360

Alu profile 6/112mm-DS ribbed
21.0549

Alu profile 6/112mm smooth
22.0547

Alu profile 6/112mm-DS smooth
23.0548

Description
Art. no.

Alu profile 8/112 mm ribbed
24.3752

Alu profile 8/112 mm-DS ribbed
29.3753

Alu profile 8/112mm smooth
37.1505

Alu profile 8/112mm-DS smooth
38.1506

Description
Art. no.

Alu profile 10/112mm ribbed
25.0550

Alu profile 10/112mm-DS ribbed
26.0551

Alu profile 10/112mm smooth
27.0552

Alu profile 10/112mm-DS smooth
28.0553

FOR INFORMATION ONLY !

Description **Alu profile 8-18/112mm HDI**
Art. no. 30.0695

Description **Alu profile 8-20/112mm HD**
Art. no. 31.1197

Description **Alu side closing profile L.=220mm
SLP seal side**
Art. no. 5448004

Description **Alu 8/112mm SLP ribbed (possible
with SLP-channel Art.no.755.4525)**
Art. no. 72.2988

Description **Alu side closing profile L.=220mm
SLP NOT seal side**
Art. no. 5448005

Description **Drainage channel for SLP profile**
Art. no. 755.4525

Description **Alu 6/56,5mm side profile L/R**
Art. no. 23.4910

Description **Alu 6/61,5mm side profile L/R**
Art. no. 23.5155

Description **Alu 10/56,5mm side profile L/R**
Art. no. 28.4911

Description **Alu 10/61,5mm side profile L/R**
Art. no. 28.5156

Description
Art. no.

Alu profile 6/156,8mm smooth
77.4915

Alu profile 6/156,8mm-DS smooth
78.4916

Alu profile 8/20-156,8mm HD
79.5208

Alu profile 8/20-156,8mm-DS HD
80.5439

Description
Art. no.

Alu profile 10/156,8mm smooth
775.5109

Alu profile 10/156,8mm-DS smooth
785.5110

**Alu profile 11/33-156,8mm HD
SEALLESS**
83.5533

Alu 7/156,8mm Protected Seal
682.5841

Description
Art. no.

Alu profile 10/22-156,8mm XHDI
81.5440

Alu profile 10/22-156,8mm-DS XHDI
82.5441

89.3497

891.4460

86.6313

Description **Alu 10/133mm Leak Proof deckslat
HD (Heavy Duty)**
Art. no. 89.3497

Description **Alu 7/133mm Leak Proof deckslat
standard**
Art. no. 891.4460

Description **Alu. floorprofile "deckslat", LR/LP-
series, 6/160 SEALED**
Art. no. 86.6313

Description **Alu. gutter stop profile for "deckslat"
LR/LP-series SEALED (L=250mm)**
Art. no. 5448008

871.4327

871.5177

5448006

Description **Alu 8/160mm Leak Proof T subdeck
(Turn-in)**
Art. no. 871.4327

Description **Alu 8/160mm Leak Proof T subdeck
(Slide-in) for alu/steel**
Art. no. 871.5177

Description **Aluminum endstop T-subdeck LP
floor (350 mm. [13.78"])**
Art. no. 5448006

76.1602

Description **Alu 8/160mm smooth**
Art. no. 76.1602

Description
Art. no.

Alu profile 6/97mm ribbed
40.9150

Alu profile 6/97mm smooth
41.9306

Alu profile 8/97mm smooth
39.4322

Alu profile 10/97mm smooth
43.9440

Description
Art. no.

Alu profile 10/97mm ribbed
42.9257

Description
Art. no.

Alu profile 5.5/92mm smooth
51.7684

Alu U-profile 25x25mm (for Snap-on)
L.5980mm
692.4214

**Counter sunk screw M10 x 30,
classification 10.9, zinc plated**
50211030.1

**Screw M12x30 Dacromet 10.9. (with
locking glue)**
502112030.1

4104002.1

5164001.1

4104001.1

5164002.1

Description **Plastic endcap blue for profile 97 mm.** **Aluminium endcap for profile 97 mm**

Art. no. 4104002.1

5164001.1

Plastic endcap blue for profile 112 mm. [4.41"]
4104001.1

Aluminium endcap for profile 112 mm.
5164002.1

4104008.1

5164004.1

5164010.1

Description **Steel endcap 112 mm.**

Art. no. 4104008.1

Aluminium endcap for Semi Leak Proof profil 112 mm.
5164004.1

Aluminium endcap for profile 156,8 mm. [6,17"]
5164010.1

5017002

5017003

7371059

7371060

Description **Monobolt 6.4x23.1, rivet range 10.5-18.4mm**

Art. no. 5017002

Monobolt 6.4x16.8 [0.25x0.66"], rivet range 4.1-12.1 mm. [0.16-0.48"]

5017003

Shaped stainless steel anti wear profile, for bottom side alu profile and endcap 112 mm [4.41"]. Incl. 6 countersunk holes and rivets

7371059

Aluminum antiwear protection strip 5 mm. incl. holes for welding

7371060

FOR INFORMATION ONLY !

4008003

Description **Seal for floorprofiles L.55 meter**

Art. no. 4008011

4008006

**Seal for floorprofiles L.175 meter
[191yd.]**

4008003

4008011

**Seal for floorprofiles L.293 meter
[320yd.]**

4008006

5017001.1

Description **Rivet for seal installation (drill 3.3
mm. [0.13"])**

Art. no. 5017001.1

FOR INFORMATION ONLY !

*

4103009

Description

**Plastic bearing strip 7/112 height
35mm. (orange)**

Art. no.

4103009

*

4103010

**Plastic bearing strip 7/112 [4.41"]
height 32 mm. [1.26"] (white)**

4103010

*

4107036

**Plastic Bearing strip "Cargo
Bulkmove" 3/156,8-H32 Red**

4107036

*

4103006

Description

**Plastic bearing block 3/97 height
32mm. (yellow/lip)**

Art. no.

4103006

*

4103007

**Plastic bearing block 3/97 height
32mm. (yellow/flat)**

4103007

*Remark: depending on the number of blocks on a bearing strip you will need more strips per cross member.

5016064

Description

Monobolt roundhead 6.4 x 20.6

Art. no.

50160640206

503363038

**Self-drilling hexagon head screw with
collar 6.3 x 38 zinc plated**

503363038

501963045

**Self drilling countersunk head screw
with wings 6.3 x 45 zinc plated**

501963045

9111201

Positioning jig for bearing strips

9111201

FOR INFORMATION ONLY !

Description **Plastic bearing block "Cargo Twister"**

Art. no. 4107002

**Plastic bearing Cargo Floor
(25x25mm)**

4107001

Cargo 'Snap-on' bearing block

4107023

**Cargo 'Snap-on' bearing block
stopper**

4107024

Description **Plastic bearing Cargo Kick Twister**

Art. no. 4107005

**Bearing (Kick-Twister) gap size 120
mm [4.7"] unbranded**

4107030

Plastic bearing 50x25 mm.

4007004

Description **Plastic Cargo Support Plate**

Art. no. 4107004

Plastic Cargo Anti Lifting Block

4107006

**Cargo Floor SPECIAL WIDE bearing
40/25 [1.6/1"] for anti-lifting of floor**

4107034

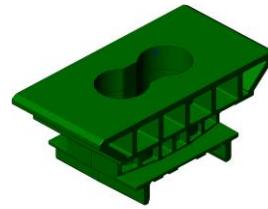

Cargo Twister WIDE 40/25 [1.6/1"]

4107031

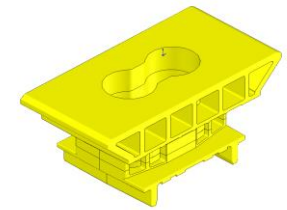

Description **Bearing H32 pos.point, 2 hole 6,5 mm (red) without vertical lip**
Art. no. 4107009

Description **Bearing H44 snap-on 50mm (green)**
Art. no. 4107010

Description **Bearing H44 pos. point, 2 hole 6,5 mm (green)**
Art. no. 4107011

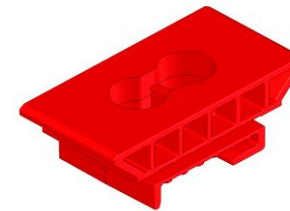

Description **Bearing H46 snap-on 50mm (yellow)**
Art. no. 4107012

Description **Bearing H46 pos. point, 2 hole 6,5 mm (yellow)**
Art. no. 4107013

Description **Guide H44 snap-on 60 mm. (green)**
Art. no. 4107015

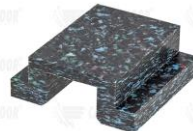

Description **Bearing H32 pos.point, 2 hole 6,5 mm (red) with vertical lip**
Art. no. 4107018

Description **Bearing H32, excl. lips (red)**
Art. no. 4107027

Description **Plastic bearing strip solid for CF LP system**
Art. no. 4102001

Description **Plastic Anti Lifting, solid execution**
Art. no. 4107019

Description **Solid plastic Anti Lifting and bearing profile I=200 mm**
Art. no. 4107020

Description **Anti Lifting 200mm/105mm (C floor profile H42)**
Art. no. 4107021

FOR INFORMATION ONLY !

Description **Plastic conduction block for pipe,
d=20 mm.**
Art. no. 4105010

Description **Plastic conduction block 60x60x32
[2.36x2.36x1.26"], for pipe d=25 mm.**
Art. no. 4105009.1

Description **Plastic bearing strip 2500 x 75 x 5
mm. [98"x3"x0,2"]**
Art. no. 4101004

Description **Plastic bearing strip 2500 x 250 x 5
mm. [98"x10"x0.2"]**
Art. no. 4101007

Description **Solid plastic bearing strip 1.990 x 60 x
7 mm with 5 countersunk holes Ø 6,5
mm, incl. blind rivets**
Art. no. 4101002

6103019.01

Description **Control box Cargo Floor CF7+CF8 "E" excl. mounting bracket**
Art. no. 6103019.01

6103021.02

Description **Control box Cargo Floor CF7 "E" excl. mounting bracket**
Art. no. 6103021.02

6104009

Description **Remote control CF8 "E" (with cable and plug)**
Art. no. 6104009

6103026.01

Description **Control box Cargo Floor CF3+CF4 "B" excl. mounting bracket**
Art. no. 6103026.01

6103028.01

Description **Control box Cargo Floor CF3 "B" excl. mounting bracket**
Art. no. 6103028.01

6104010

Description **Remote control CF4 "B" (with cable and plug)**
Art. no. 6104010

6415107

Description **Control box Cargo Floor excl. electrical components/mounting bracket**
Art. no. 6415107

6104006

Description **Set wireless remote control Cargo Floor CF RX TX (receiver + transmitter)**
Art. no. 6104006

6104012

Description **Receiver wireless remote control Cargo Floor CF RX**
Art. no. 6104012

6104013

Description **Transmitter wireless remote control Cargo Floor CF TX**
Art. no. 6104013

5154014.01

Description **Mounting bracket (Control box/Toolbox) incl. fastening materials**
Art. no. 5154014.01

FOR INFORMATION ONLY !

5165003

Description **Set a 2 pcs. Cargo Roller, HD, 6 wheels with bi-directional cleaning device**
Art. no. **5165003**

7199002

Description **Manometer set Cargo Floor 0-250 bar [3626 PSI] (connection at the underside)**
Art. no. **7199002**

7199003

Description **Manometer set Cargo Floor 0-250 bar (connection at the rear side)**
Art. no. **7199003**

6104024.01

Description **Oil temperature safety switch; protection against overheating. For Cargo Floor control valve E/B**
Art. no. **6104024.01**

6415106

Description **Toolbox Cargo Floor excl. tools/ mounting bracket**
Art. no. **6415106**

6415105

Description **Tools and parts "first aid" for toolbox Cargo Floor**
Art. no. **6415105**

5154014.01

Description **Mounting bracket (Control box/Toolbox) incl. fastening materials**
Art. no. **5154014.01**

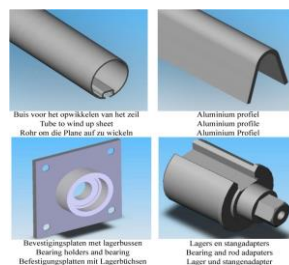

4199007

Description **Plastic side strip for sealing side of moving headboard, dim. 2.500x160 mm.**
Art. no. **4199007**

9013101

Description **Completion set pneumatic (rolling protection sheet mechanism)**
Art. no. **9013101**

9013104

Description **Mechanism for protection sheet for Cargo Floor (manual operation)**
Art. no. **9013104**

9013102

Description **Protection sheet roll mechanism (14000 mm.)**
Art. no. **9013102**

4199006

Description **Floor mat „Heavy Duty“ for moving headboard, universal, Dimensions: 2.460 x 1.650 mm. Weight 15.75 kg.**
Art. no. **4199006**

Description **Protective cover cylinder (rod side)**

Protective cover cylinder (bottom side)

Protective cover control valve (top side)

Set protective covers, consisting of covers cylinder (rod and bottom side) and control valve (top side)

Art. no. 7371052

7371053

7371054

7371063
